

A Focus on Informed Assessment Practices
October 17, 2007
Worksheet I
Assessment Learning Inquiry Action Plans

The question I am going to explore over the next month:

The strategy I am going to try from each of these areas:

- learning intentions

- clear criteria for success

The one thing I am going to do less of in order to make room in my repertoire for the new strategies:

The person who has agreed to discuss what happens with me:
